

Elevate Your Healthcare Staffing with the Deal Sheet

Precise. Automated. Integrated with Bullhorn.

Inaccurate pay quotes hurt your brand, break candidate trust, and put your bottom line at risk. **The Newbury Partners Deal Sheet** solves these challenges with an automated, integrated tool that works seamlessly in your Bullhorn environment.

What is the Deal Sheet?

The Deal Sheet is a tailored implementation add-on within the Bullhorn environment. It empowers recruiters to:

- Customize and adjust compensation packages to align with candidate expectations and company margins.
- Access the tool directly within Bullhorn on both Candidate and Job Order entities through its dedicated tab.
- Seamlessly integrate with Bullhorn submission processes, reducing manual errors and boosting efficiency.

What You Gain with the Deal Sheet:

- **Tailored Financial Agility:** Adapt to any healthcare staffing model—locum tenens, travel nursing, and more.
- **Guaranteed Financial Accuracy:** Eliminate guesswork in pay rates, ensuring you hit profitability targets and boost candidate confidence.
- **Streamlined Operational Processes:** Automate calculations and tasks to reduce errors, save time, and scale your business effectively.
